A. Meyer Studio's Programming

Rhyme in Time!

Target Grade/Age Level 18mnth-36mnth Minimum no. of students: 2 Max class size: 12

Class description

Spend time introducing & experiencing song and dance with your young child. Interactive and fun, this class will increase awareness of tempos, assist in co-coordinating fine and gross motor skills and focus on better listening techniques! Using familiar music and varied instruments, each class enriches your quality time together!

Overall Program Focus

Objectives: **Materials to bring from home: Child's stuffed animal and blanket**

1. **Increase awareness of tempo, rhythm and syncopation in the young child**
2. **Increased Focus on better listening skills and following of directions in group environment**
